

How Extension Works

University Extension Units

- Each school operates individual Extension units
- NC State Extension and Cooperative Extension at N.C. A&T —
that deliver programming both independently (campus initiatives) and as a strategic partnership (county programs),
which is called **N.C. Cooperative Extension**.

COUNTY-BASED initiatives always represent a partnership between NC State, N.C. A&T and local governments, in addition to other programs that are jointly funded, coordinated and developed.

N.C. Cooperative Extension is the primary identity for all local centers.

CAMPUS-BASED initiatives that are funded, coordinated and developed unilaterally, regardless of how or where the end products are used.

Primarily applies to specialists, programs, events, publications, etc. from either campus.
